Dear Ms. Wyatt,

Pursuant to your letter stamp dated November 6, 1997, we have enclosed two originals and a copy of the revised Reclamation Plan on the Cactus Mill Site, Gold Hill, Utah, from REDD Engineering Corporation dated November 20, 1997. With your approval, we'll have a bond issued in the name of the BLM and the department of Oil Gas & Mining. We understand that this will complete our requirements and upon posting of the bond, that the permit will be issued forthwith. A copy of the bond format is enclosed for your review. Please advise.
